

Multiple Choice

1. **Answer:** C

Options: A) 1%; B) 2%; C) 4%; D) 8%

Note: The correct answer of 4% reflects the estimated proportion of global GDP that countries collectively allocate to public education spending, highlighting the significant investment in education as a crucial driver of economic development and social progress.

2. **Answer:** C

Options: A) 23%; B) 43%; C) 63%; D) 83%

Note: The correct answer of 63% reflects the predominant role that fossil fuels, particularly natural gas and coal, played in the United States' energy mix as of 2019, highlighting the continued reliance on these energy sources for electricity generation despite a gradual increase in renewable energy contributions.

3. **Answer:** B

Options: A) 15%; B) 35%; C) 55%; D) 75%

Note: The correct answer is 35% because, according to the Youth Risk Behavior Surveillance System data from 2015, this percentage accurately reflects the proportion of U.S. students aged 13-15 who reported being involved in physical fights at school within the previous year.

4. **Answer:** B

Options: A) 41%; B) 56%; C) 71%; D) 86%

Note: The correct answer of 56% reflects a significant portion of the Italian population's belief in the importance of free media as a fundamental aspect of democratic governance, underscoring the value placed on independence from government censorship in shaping public opinion and discourse.

5. **Answer:** A

Options: A) US; B) Chile; C) Ireland; D) Spain

Note: As of 2013, the United States had the highest per capita rate of homelessness due to a combination of factors including high housing costs, insufficient affordable housing, and systemic issues such as poverty and mental health challenges.
