True / False (10 marks)

Answer True or False

6. True or False: The Mexican forces being impatient to confront the American forces passed beyond El Paso del Norte about 20 miles (32 km) north along the Rio Grande. The first battle that Chihuahua fought was the a different answer; the Mexican forces consisting of 500 cavalry and 70 infantry confronted a force of 1,100-1,200 Americans on December 25, 1846.
7. True or False: The city's initiative is inspired by forward thinking examples, such as Denmark's Copenhagenization.
8. True or False: While constitutional law concerns the European Union's governance structure, a different answer binds EU institutions and member states to follow the law.
9. True or False: The bulk of British emigration, trade, and capital went to areas outside the formal British Empire. Key to their thinking is the idea of empire 'informally if possible and formally if necessary.' [attribution needed] Because of the resources made available by imperialism, the world's economy grew significantly and became much more interconnected in the decades before World War I, making the many imperial powers rich and prosperous.
10. True or False: The Gwich'in people of the northern Interior region are Athabaskan and primarily known today for their dependence on the caribou within the much-contested Arctic National Wildlife Refuge. The North Slope and Little Diomed Island are occupied by the widespread Inupiat people.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Read the following passage and answer the question: In countries such as China and Vietnam, the transition to a market economy has been a major factor in a move toward the rule of law, because a rule of law is important to foreign investors and to economic development. It remains unclear whether the rule of law in countries like China and Vietnam will be limited to commercial matters or will spill into other areas as well, and if so whether that spillover will enhance prospects for related values such as democracy and human rights. The rule of law in China has been widely discussed and debated by both legal scholars and politicians in China. Question: What has influenced China and Vietnam to conform to the rule of law?
12. Read the following passage and answer the question: From 2001 to 2008, Mac sales increased continuously on an annual basis. Apple reported worldwide sales of 3.36 million Macs during the 2009 holiday season. As of Mid-2011, the Macintosh continues to enjoy rapid market share increase in the US, growing from 7.3% of all computer

shipments in 2010 to 9.3% in 2011. According to IDC's quarterly PC tracker, globally, in 3 rd quarter of 2014, Apple's PC market share increased 5.7 percent year over year, with record sales of 5.5 million units. Apple now sits in the number five spot, with a global market share of about 6% during 2014, behind Lenovo, HP, Dell and Acer. Question: How many Macs did Apple sell worldwide during the 2009 holiday season?
