

Multiple Choice

1. **Answer:** C

Options: A) 38%; B) 58%; C) 78%; D) 98%

Note: The correct answer of 78% reflects the high prevalence of physical punishment reported by children in India, indicating a significant issue in educational practices and child rights within the country during that time period.

2. **Answer:** D

Options: A) 59%; B) 69%; C) 79%; D) 89%

Note: The correct answer is 89% because surveys conducted in Turkey consistently show that a significant majority of the population identifies as religious and believes that God plays a crucial role in their daily lives and cultural identity.

3. **Answer:** B

Options: A) 11%; B) 26%; C) 41%; D) 56%

Note: The correct answer is 26% because, according to data from 2017, this percentage accurately reflects the proportion of the Indian population that accessed the internet within the preceding three months, highlighting the country's growing digital engagement during that time.

4. **Answer:** D

Options: A) 79%; B) 98%; C) 33%; D) 57%

Note: The correct answer of 57% reflects the significant public sentiment and disapproval regarding Nixon's presidency leading up to his resignation, indicating that a majority of the population believed he should be removed from office due to the Watergate scandal and associated controversies.

5. **Answer:** C

Options: A) \$300; B) \$1,000; C) \$10,000; D) \$30,000

Note: The median international income of \$10,000 in 2020 reflects the point at which half of the global population earns less and half earns more, highlighting income distribution disparities across different countries.
