

Multiple Choice

1. **Answer:** C

Options: A) About \$3 k; B) About \$8 k; C) About \$15 k; D) About \$30 k

Note: The correct answer of about \$15 k reflects the inflation-adjusted GDP per capita in the United States for 1950, which, when converted to 2011 prices using Purchasing Power Parity (PPP), provides a more accurate representation of the economic output per person relative to today's values.

2. **Answer:** C

Options: A) \$300; B) \$1,000; C) \$10,000; D) \$30,000

Note: The correct answer of \$10,000 represents the median international income in 2020, which indicates the middle point of income distribution globally, where half of the population earns less and half earns more, highlighting significant disparities in wealth across different countries.

3. **Answer:** C

Options: A) 10%; B) 20%; C) 30%; D) 40%

Note: The correct answer of 30% reflects the World Health Organization's data indicating that approximately 2.2 billion people worldwide lack access to safely managed drinking water services, highlighting a significant global health and geography issue.

4. **Answer:** B

Options: A) 80%; B) 40%; C) -40%; D) -80%

Note: The correct answer is based on historical data showing that during the peak of the school desegregation movement, public approval rates in Southern states were significantly lower-approximately 40%-compared to the more favorable approval rates in the Northern and Western states, reflecting regional disparities in attitudes toward civil rights and integration.

5. **Answer:** C

Options: A) 33%; B) 50%; C) 66%; D) 85%

Note: The correct answer is 66% because it reflects the significant public sentiment in the immediate aftermath of World War II, indicating that a majority of Americans were in favor of aiding Japan despite potential domestic consequences, demonstrating a shift towards humanitarian concerns and international cooperation.

True / False

6. **Answer:** False

Options: A) True; B) False

Note: The correct answer is: Laurentide Ice Sheet

7. **Answer:** True
Options: A) True; B) False
Note: According to the passage: 1739
8. **Answer:** True
Options: A) True; B) False
Note: According to the passage: summer, winter, and rainy season
9. **Answer:** False
Options: A) True; B) False
Note: The correct answer is: Fujiwara
10. **Answer:** False
Options: A) True; B) False
Note: The correct answer is: 1960 s

Long Form Response

11. **Answer:** within the 10 largest
Note: Expected answer: within the 10 largest
12. **Answer:** higher
Note: Expected answer: higher
