True / False (10 marks)

Answer True or False

6. True or False: Nowadays, Galician is resurgent, though in the cities it remains a "second language" for most. According to a 2001 census, 99.16 percent of the populace of Galicia understand the language, 91.
7. True or False: They also used less expensive green earth pigment, or mixed yellow ochre and blue azurite. To dye fabrics green, they first colored them yellow with dye made from a different answer and then soaked them in blue dye from the roots of the woad plant.
8. True or False: The term "melting pot" was first coined to describe densely populated immigrant neighborhoods on the Lower East Side. By₁₉₀₀, Germans constituted the largest immigrant group, followed by the Irish, Jews, and Italians. In₁₉₄₀, whites represented a different answer of the city's population.
9. True or False: In spring 1987, a protest movement arose against new phosphate mines in Estonia.
10. True or False: Interracial relations between Indigenous Americans and African Americans is a part of American history that has been neglected.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Read the following passage and answer the question: The city, especially the East Boston neighborhood, has a significant Hispanic community. Hispanics in Boston are mostly of Puerto Rican (30,506 or 4.9% of total city population), Dominican (25,648 or 4.2% of total city population), Salvadoran (10,850 or 1.8% of city population), Colombian (6,649 or 1.1% of total city population), Mexican (5,961 or 1.0% of total city population), and Guatemalan (4,451 or 0.7% of total city population) ethnic origin. When including all Hispanic national origins, they number 107,917. In Greater Boston, these numbers grow significantly with Puerto Ricans numbering 175,000+, Dominicans 95,000+, Salvadorans 40,000+, Guatemalans 31,000+, Mexicans 25,000+, and Colombians numbering 22,000+. Question: What neighborhoods has a high rate of hispanics?
12. Read the following passage and answer the question: In₁₉₉₃, the city passed a massive redevelopment package known as the Metropolitan Area Projects (MAPS), intended to rebuild the city's core with civic projects to establish more activities and life to downtown. The city added a new baseball park; central library; renovations to the civic center, convention center and fairgrounds; and a water canal in the Bricktown entertainment district. Water taxis transport passengers within the district, adding

color and activity along the canal. MAPS has become one of the most successful public-private partnerships undertaken in the U.S., exceeding \$3 billion in private investment as of 2010. As a result of MAPS, the population living in downtown housing has exponentially increased, together with demand for additional residential and retail amenities,... Question: How much money was invested in MAPS by 2010?
