

Multiple Choice

1. **Answer:** A

Options: A) Thomas Aquinas; B) Catherine of Siena; C) Teresa of Avila; D) Hildegard of Bingen; E) John of the Cross

Note: Thomas Aquinas posited that evil is a privation of good, which ultimately highlights and reveals the nature of divine love by showing the contrast between good and evil.

2. **Answer:** A

Options: A) is a good way to maintain public order.; B) is a risk worth taking of the speech is dangerous enough.; C) diminishes intellectual growth.; D) is acceptable if the speech is offensive.; E) is a violation of the speaker's freedom of expression.

Note: According to Mill, censoring speech that is possibly true can be justified as a means to maintain public order, as he believed that unchecked discourse could lead to societal chaos and undermine the stability necessary for a functioning community.

3. **Answer:** A

Options: A) The minor premise must either accept an alternative or reject an alternative; B) One of the premises is missing; C) The major premise must either affirm the antecedent or deny the consequent; D) It includes a conjunction in the major premise; E) It reaches a contradictory conclusion

Note: The correct answer is valid because a disjunctive syllogism relies on the structure of having one premise that presents a disjunction (an 'or' statement) and a second premise that affirms or denies one of the alternatives, thus leading to a logical conclusion.

4. **Answer:** D

Options: A) provide an account of what makes right actions right.; B) establish which things are good in themselves.; C) develop a theory of good moral character.; D) make ethical questions clear.

Note: Stevenson's primary aim in the paper is to clarify ethical questions by analyzing the language and concepts involved, thereby enhancing understanding and facilitating meaningful discourse on moral issues.

5. **Answer:** A

Options: A) the artist's nationality; B) its power to evoke strong emotions; C) social meaning; D) the use of geometric shapes; E) the size of the artwork

Note: The artist's nationality is an important formal characteristic of art because it often influences the themes, styles, and cultural contexts present in their work, reflecting the social, political, and historical factors inherent to that nationality.

True / False

6. **Answer:** False

Options: A) True; B) False

Note: Soft determinism posits that while human actions may be influenced by prior causes, individuals still possess the capacity for free will and can make choices within those constraints.

7. **Answer:** False

Options: A) True; B) False

Note: The statement is false because origami specifically refers to the art of paper folding to create sculptures and shapes, not flower arranging, which is a separate practice known as Ikebana in Japanese culture.

8. **Answer:** True

Options: A) True; B) False

Note: The statement is true because the appeal to force fallacy occurs when an arguer uses intimidation or threats to persuade others to accept a conclusion, rather than providing legitimate reasoning or evidence.

9. **Answer:** False

Options: A) True; B) False

Note: Norcross argues that moral discourse is inherently tied to the capacity for moral reasoning, which beings incapable of such reasoning cannot fully engage in.

10. **Answer:** True

Options: A) True; B) False

Note: Stevenson argues that ethical judgments serve primarily to persuade and shape the behavior and interests of others within a social context, emphasizing their function in influencing interpersonal dynamics rather than merely reflecting objective moral truths.

Long Form Response

11. **Answer:** The "Flower Sermon," attributed to the Buddha, holds significant importance within Chan- Zen Buddhism as it encapsulates the essence of direct, non-verbal transmission of wisdom, emphasizing the limitations of conceptual thought. In this sermon, the Buddha silently holds up a flower, which only Mahākāśyapa understands, symbolizing the idea that enlightenment transcends language and intellectual discourse. This moment illustrates the central Chan-Zen tenet of direct experience and intuition over doctrinal study, leading to a shift in Buddhist practice towards meditation and the cultivation of mindfulness. Philosophically, it challenges the reliance on scriptures and encourages practitioners to seek their own understanding of reality, thus influencing subsequent Buddhist thought and the development of Zen practices that prioritize direct experience as a means to attain enlightenment.

Note: correct because it accurately captures the "Flower Sermon" as a pivotal moment

in Chan-Zen Buddhism that illustrates the transmission of wisdom beyond words, highlighting the philosophy of direct experience and the limitations of intellectual understanding in the pursuit of enlightenment.

12. **Answer:** Korea holds significant importance as the location of the largest network of Confucian shrines in the world, reflecting its deep-rooted engagement with Confucian philosophy. These shrines, dedicated to Confucius and other Confucian sages, serve not only as places of worship but also as cultural and educational centers that promote Confucian values such as filial piety, loyalty, and civic responsibility. The preservation of these sites has facilitated a continuous dialogue around Confucian teachings, allowing for their adaptation to contemporary societal needs while maintaining their core principles. This dynamic interplay between preservation and evolution underscores Korea's unique role in sustaining and interpreting Confucian thought, contributing to its resilience and relevance in modern philosophical discourse. Consequently, Korea's extensive network of shrines not only honors Confucian heritage but also influences its ongoing development and integration into the fabric of Korean identity.

Note: correct because it highlights Korea's unique role in preserving Confucian philosophy through its extensive network of shrines, which function as both religious and educational institutions promoting key Confucian values, thereby ensuring the ongoing relevance and evolution of these teachings in Korean society.
