 - (e) cannot be justified via rational means.

True / False (10 marks)

Answer True or False

6. True or False: Nussbaum asserts that cross-cultural communication is typically approached in a nihilistic way by diverse conceptual scheme inhabitants.
7. True or False: Lukianoff and Haidt contend that trigger warnings primarily involve dichotomous thinking, leading to a black-and-white interpretation of issues.
8. True or False: The appeal to anonymous authority fallacy occurs when a claim is supported solely by citing unidentified experts.
9. True or False: The major shift by Greek philosophers who rejected the anthropomorphic view of the divine occurred in the late Fourth Century BCE.
10. True or False: According to Singer, the principle of equality mandates identical treatment of all individuals regardless of their circumstances.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the concept of "gradual enlightenment" in Soto Zen, analyzing its significance within the broader context of Zen philosophy and its implications for spiritual practice.
12. Analyze the logical structure of the following sentence: "Either England's importing beef is a sufficient condition for France's subsidizing agriculture, or China doesn't promote human rights when and only when South Africa supplies diamonds." Discuss the implications of this statement and provide a suitable formalization using propositional logic.
