True / False (10 marks)

Answer True or False

6. True or False: The costs of free trade are often concentrated among specific industries, while the benefits are widely dispersed across the economy.
7. True or False: All knowledge is a fixed and objective process that remains unaffected by social contexts.
8. True or False: Within Critical Security Studies, there is no specific referent object of security, emphasizing a broader understanding of security issues.
9. True or False: US foreign policy decision making can be constrained by the foreign policies of other states, international law, and intergovernmental organizations.
10. True or False: The grand strategy of 'primacy' refers to striving for American dominance in the international system.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the objections realists have towards the influence of exceptionalism on American foreign policy, particularly concerning its impact on security, power, and national interests.
12. Discuss the distinctive phases in the development of security theory within security studies and analyze how these phases contribute to its separation from other related fields.
