True / False (10 marks)

Answer True or False

6. True or False: Weber claimed that sociologists assign fixed values to theories, which makes knowledge inherently valuable.
7. True or False: The human relations approach emphasizes teamwork, communication, and employee satisfaction as key factors for organizational success.
8. True or False: The term 'culture industry' describes the emergence of diverse subcultures and counter-cultures in response to mainstream culture.
9. True or False: The rise in cohabitation among couples is a significant factor contributing to the perceived decline of marriage rates.
10. True or False: Patterns of drug use in Britain have increased and are no longer limited to a hedonistic youth subculture.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the process of socialization, examining its significance in the formation of identity and integration into society. How do various agents of socialization influence this process?
12. Discuss the concept of relative deprivation as proposed by Townsend (1979), and critically analyze how certain indicators, such as media consumption, reflect social inequality.
