True / False (10 marks)

Answer True or False

6. True or False: The middle classes that emerged in the nineteenth century were urban, engaged in civic activities, and often held white-collar jobs.
7. True or False: Ethnic identity solely relies on the objective categories of ethnicity established by governmental census classifications.
8. True or False: Policy makers believed that former slaves migrating to urban areas would experience a process of assimilation into mainstream society.
9. True or False: Laqueur's 'two-sex' model posits that male and female are distinct categories representing separate sexes.
10. True or False: In the traditional hierarchy, the Archbishop of York ranks higher than the King's Grandsons and the Lord High Treasurer.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss Townsend's (1979) indicators of relative deprivation and critically analyze how these indicators reflect social inequalities, providing examples to support your arguments.
12. Discuss the significance of national surveys in understanding societal trends in the UK, and analyze why the Fashion Sensibility Survey is not among regularly conducted surveys by the government.
