 - (c) researchers are not allowed access to official statistics
 - (d) there is no valid or reliable way of researching such a sensitive topic

True / False (10 marks)

Answer True or False

6. True or False: Soap operas are considered a 'feminine genre' because they portray women as both domesticated and independent.
7. True or False: A moral panic arises when audiences actively challenge and reject the ethnic stereotypes portrayed by the media.
8. True or False: The capitalist world economy functions primarily as a means of transporting money between different areas of a country.
9. True or False: Sociology's knowledge is accumulated from diverse research contexts to build a comprehensive understanding of social phenomena.
10. True or False: Social norms are rules and expectations that regulate interactions within a society.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss Blauner's (1964) perspective on alienation in the workplace, specifically focusing on car manufacturing in assembly plants and its impact on employee well-being.
12. Discuss the implications of informal negative sanctions, such as teasing, on children's social development, particularly in relation to behaviors like thumb-sucking when entering kindergarten.
