

Multiple Choice (10 marks)

1. Lombroso claimed that:
 - (a) criminals were socialized into an 'underworld' of crime
 - (b) no act is intrinsically deviant
 - (c) biological failings drove some people into crime
 - (d) women were less likely to be arrested than men
2. The 'two-sex' model that Laqueur (1990) identified:
 - (a) contrasted homosexuality with heterosexuality
 - (b) distinguished between male and females as separate sexes
 - (c) represented women's genitalia as underdeveloped versions of men's
 - (d) argued for male superiority over women
3. The capitalist world economy is what Wallerstein (1974) would call a 'world system'. This term refers to:
 - (a) a means of transporting money between different areas of a country
 - (b) an empire with a bureaucratic administration but no political centre
 - (c) an awareness of risks and dangers that affect the environment as a whole
 - (d) a unit with a division of labour that extends across ethnic and cultural groups
4. Pluralist theories suggest that:
 - (a) the state's power can be exercised through several different administrative structures
 - (b) the ruling elite is composed of people from various class backgrounds
 - (c) political parties must compete for the votes of 'consumers' in the electorate
 - (d) there is a close alignment between class background and party preference
5. Sreberny-Mohammadi (1996) argues that national cultures can resist American cultural domination of the media by:
 - (a) domesticating its content, including more 'home-produced' programmes
 - (b) controlling the distribution of imported products by banning satellite dishes
 - (c) creating 'reverse flows' of their own programmes back to imperial societies
 - (d) all of the above

True / False (10 marks)

Answer True or False

6. True or False: 'Snowballing' is a technique used in probability sampling to ensure a random selection of participants from a larger population.
7. True or False: Parsons claimed that the modern family primarily focuses on oppressing women and reproducing the labor force.
8. True or False: Marx believed that the labor movement would merely establish the working class as a class in itself without political consciousness.
9. True or False: Karl Marx was the first to use the term 'sociology' in his writings during the late 19 th century, defining the field's principles.
10. True or False: Mass-society theory asserts that audiences actively interpret media messages based on their personal beliefs and experiences.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the concept of 'research purpose' in sociology and critically analyze why triangulation does not fit within this definition.
12. Discuss the characteristics of totalitarian societies and analyze how the lack of freedom of movement impacts citizens' lives and societal structure in such regimes.
