True / False (10 marks)

Answer True or False

6. True or False: The capitalist class of the mid-twentieth century gained upper-class status by owning companies and financial assets that generated wealth.
7. True or False: Industrial production in the nineteenth century was marked by power-driven machinery and the concentration of workers in large workplaces.
8. True or False: The household is commonly viewed as a level of society in sociological studies.
9. True or False: Surveys should avoid asking leading questions, as they can bias respondents' answers and affect data validity.
10. True or False: A growing fear of HIV and AIDS, influenced by the New Right, did not emerge until after the 'sexual revolution' of the 1960 s.

Long Form Response (20 marks)

Answer each question with a clear and complete explanation.

11. Discuss the New Right's perspective on family values, analyzing the trends they identified as evidence of decline, and critically evaluate why cohabitation before marriage was not included.
12. Discuss the characteristics of totalitarian societies and analyze why freedom of movement for citizens is not compatible with such regimes.
